Docket No. 258728

LC No. 04-423930-CL

Michael J. Talbot  
Presiding Judge

Judges

---

The Court orders that the motion to dismiss is GRANTED. The appeal is DISMISSED for lack of jurisdiction because the order appealed from is not a final order as defined under MCR 7.202(6)(a)(i). MCR 7.203(A)(1). The order is not a final order because it does not dispose of plaintiff's claim for additional injunctive relief as made by count II of plaintiff's amended complaint. The added count and request for additional injunctive relief remained pending and undecided when the claim of appeal was filed.
